WALK 6: EMPTINESS

Nice to meet you! Or...
glad to see you again!
Here's *Jiu Jiu*
volume 2...

I set a theme for every
volume of *Jiu Jiu*...

By the way, the theme
for vol. 1 was "bond."

I once heard a
commentator declare,
"An author shouldn't
announce the theme
of their work."
Probably they meant
it's better to give
readers a chance to
discover the theme
for themselves.

But I think knowing the
theme in advance helps
you get into the story.

That doesn't mean you
have to read it with my
theme in mind though...

After all, everybody is
different so everybody
will have a different take
on the story. I'm happy
for readers to discover
their own theme when
reading my manga.

That's right!
We're all free thinkers!

All right then...
Jiu Jiu volume 2, with
the theme of "fun"
begins...**now!**

Thank you, heroes.

Nice to meet... Oh, I already said that, didn't I?
Hello, I'm Touya "I love the female figure"
Tobina.

As I'm sure you've all noticed, the cover illustration for this volume has gone up several levels. Specifically, I'm talking about the level of the breasts (She's a growing girl!) and the level of your courage to take a manga with that image up to the cash register.

In other words, those of you who are reading Jiu Jiu vol. ② right now are true heroes.

**Thank you
very much, hero!**

To tell the truth, I was going to make this the cover for vol. 3 since I'm working on the Family Head Meeting story arc now...
But I believe you should draw whatever you're inspired to draw whenever you want to!

**I'm so thrilled to
get to draw the
cover illustration
for this volume!!!**

**TWO PUPS

Unexpected Q&A corner ☺

I was so happy to receive two letters from my readers who read Jiu Jiu vol. 1 and wrote to me asking, "May I ask you a question?"!!
Two!! Two...?!

Okay, focus, focus...
So, anyway, I thought I'd take this opportunity to answer their questions in this sidebar.

☺ Did Takamichi give Snow those earrings he wears?

That's something I wasn't able to include in the "Night's Diary" episode... but I hope to explain it sometime soon, so please be patient...!

☺ Why does Takamichi call Moon "Paper Moon"?

Well, because, basically, she's saying he's no "New Moon" but just a "Waxing Crescent."

☺ Who's the elder brother, Snow or Night?

Both Snow and Night think they were born first. Only their mother knows for sure.

That's it!

Yamaguchi Prefecture Rie-sama.
Shiga Prefecture Hina-sama.

I'm sorry I didn't really answer your questions clearly... but thanks so much for asking!!

...

AND
DON'T
YOU
DARE
EAT
ME!

*What-
ever.*

CAN'T
YOU EVEN
REMEMBER
WHICH
DIRECTION
YOUR HOME
IS...?

WE'RE
KEEPING A
WATCH ON
YOU.

WHAT'S THIS
ABOUT...?

SHUT
UP,
PIG.

...YOU
MUTTS
WILL BE
NO MATCH
FOR ME.

WHEN I
BECOME A
GROWN-UP
VAMPIRE...

LOOK!

We went to the seaside with
Mistress Takamichi. She told us she
took us with her to make us happy.
Just hearing that made us
feel like we could fly!

Mistress Takamichi meets
my eyes a lot these days.
She stares at me so

Today she played Frisbee
with us and threw it
nicely so we could
catch it. She's so nice...

Mistress Takamichi
told us she wants us
to always be by her
side. We feel the
same.

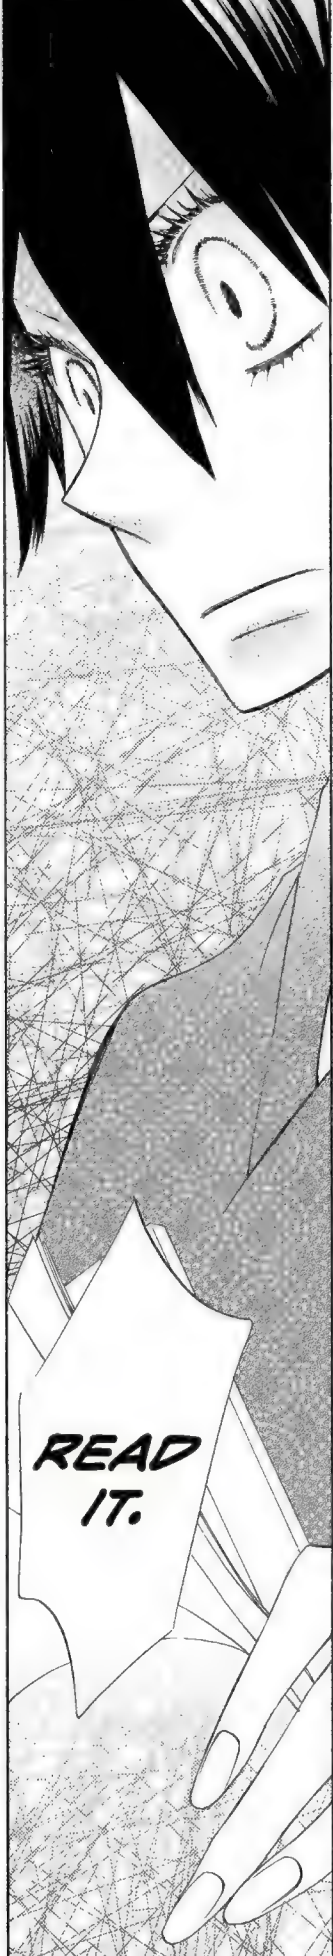

She still speaks pretty harshly to us,
but we've managed to have a whole conversation with her.
We're going to talk to her a lot now!

School starts today.
